

MONEY

The image shows a vertical strip of a document page, heavily damaged and stained. The page is mostly white with large, irregular brown stains and tears. Faint, illegible text is visible through the paper, appearing as dark, blurry shapes. A small, dark, irregular mark is visible near the top left corner.

[illegible]

The image shows a vertical strip of a document, likely a page from a book or a page from a newspaper. The text is heavily blurred and distorted, making it largely illegible. The visible text appears to be organized into columns, with some headings that are partially readable, such as "NAVY OFFICE" and "NAVY DEPARTMENT". There are also some numbers and dates visible, but they are too blurry to transcribe accurately. The overall appearance is that of a low-quality scan or a photograph of a document that has been damaged or is very old.
